PROJECT NO. 31-2 - GRANT-DENT CITY HOUSE

Fourth and Cerre Streets,
(Southwest Corner),
St. Louis, Missouri.

This is the corner house of the building,
consisting of three stories and basement,
rapidly deteriorating.

Date of erection: 1845.
Number of Drawings: 4.

The building is vacant. It is owned by
the Grant-Dent Memorial Association of
which Mrs. John Trigg Moss is President.
(6017 Enright Avenue, St. Louis)

The building has exterior walls of brick,
and it is an interesting example of old
St. Louis architecture.

This was the town house of Colonel Frederick
Dent, father of Miss Julia Dent, who was
married to Ulysses S. Grant in this house
on August 22, 1848. The house was in recent
years sold to John Gundlach, who planned to
create the Grant-Dent Museum, in which to
preserve letters and memorabilia. This plan
has been in abeyance on account of the death
of Mr. Gundlach.
